

STEFANO ROSA ROSSO

SRR Executive Advisory

DORA Requires More Than Compliance. Resilience Requires Governance.

Executive Advisor and Programme Lead for Board-level DORA and ICT third-party governance. I bring 30+ years of client-side leadership in regulated financial services, telecommunications and technology, connecting supplier accountability, contracts, risk reporting, operational resilience and delivery.

SELECTED SCALE

PARTNERS / SALESPEOPLE

WHERE I CREATE VALUE

- 01 Board-Level DORA & ICT Third-Party Governance**
Turn regulatory obligations into decision rights, supplier accountability, risk reporting and actionable governance.
- 02 Critical ICT Supplier & Contract Governance**
Govern sourcing, concentration, SLAs, audit and exit rights, and continuity around material business services.
- 03 Programme Leadership & Operational Resilience**
Coordinate business, technology, procurement, legal, risk and compliance through accountable remediation and resilience testing.
